

IDA CT Presents . . .

Structured Literacy™

Closing The Reading Gap

Keynote Speaker:

Dr. Louise Spear-Swerling

Professor Emerita,
Southern
Connecticut
State University

Dr. Spear-Swerling, an internationally recognized literacy expert, explains key features of Structured Literacy™ approaches, and contrasts them with typical classroom practices for literacy assessment and instruction. Come and find out how these approaches are particularly desirable for students with dyslexia, and how they can be used to benefit students in the general education setting.
