

CONTINUING THE REOPENING DISCUSSION

Principals' Round Table for Preschool & Kindergarten Administrators

Thursday, August 27, 2020 | 3:00-4:00 PM

The RESC Alliance, in collaboration with the CT State Department of Education and CAS, is inviting elementary principals in partnership with their preschool program leaders to further their discussions around reopening by offering an opportunity to share and discuss their re-opening plans specific to their early childhood population, on August 27 at 3:00 pm.

As efforts continue in planning for re-opening, it is important to consider the needs of all of our youngest learners, especially implications for children with special needs and other vulnerable populations.

On August 27 at 3:00 PM, please join us for a virtual 60-minute focused conversation around re-opening plans. Participants will have an opportunity to:

- share their district reopening plans specific to early childhood classrooms in small discussion groups,
- ask their colleagues questions, and then
- ask follow-up questions to the larger group.

This is a continuation of our August 14th Principals' Round Table from our monthly series of round table discussions for early childhood administrators. A schedule of round table meetings for the 2020-2021 school year will be sent out soon!
